Simple Examples:

- a. The Oldest Living Thing – Bristlecone Pine - _____ years old. Something killed all the other trees at that time!
- b. Dinosaur Bones that are not Fossilized – _____ years. Since DNA breaks down in under 10,000 years it can't be 64 million years old as was originally debated.
- c. The Oldest Recorded History - , The span of recorded **history** is roughly _____ years, beginning with Sumerian Cuneiform script, the **oldest** discovered form of coherent writing from the protoliterate period around the 30th century BC.

Eternal Life: If God made the world in 6 days what can He do at the end of time?

Then I saw the holy city, New Jerusalem, coming down from God out of heaven, dressed like a bride ready for her husband. ³ I heard a loud voice from the throne say, "God lives with humans! God will make his home with them, and they will be his people. God himself will be with them and be their God. ⁴ He will wipe every tear from their eyes. There won't be any more death. There won't be any grief, crying, or pain, because the first things have disappeared." ⁵ The one sitting on the throne said, "I am making everything new."

God can make a new heaven and a new earth in less than _____ day!
